Sports Facilities Summary

This facility is easily accessible from Kanto area. In April 2016, it was renewed and, in particular, the repair works improved the air conditioning system, the floors and the lighting equipment. The Civic Sports Center can be used as a main or a secondary competition ground, or it can just host training programs, since it is endowed with spaces suitable for any kind of training.

Pre-camp training attraction for the Tokyo Olympics

The best hospitality. Our efforts are directed to help all of the players with leaving wonderful results during the competition.

Until now, Maebashi has had a bunch of big tournaments (like All Japan Trampoline Tournament). Then making use of our experience, we are going to hold [2018 FIG Trampoline World Cup]. Maebashi has the [Yamato Civic Gymnasium] which is one of the best Trampoline facilities in Japan. This facility is highly evaluated by Japan Gymnastic Association member and Trampoline players. Maebashi will give you the best training environment to help you with leaving wonderful results during the 2020 Tokyo Olympics and Paralympic Games. We will give our best to support you.
